

# HILL HOUSE CATERING AND DECORATING SERVICE BEYOND BELIEF

We are delighted you have chosen to request a packet from HillHouse.

There are a few things we would like for you to keep in mind when you are viewing the material.

The menus that are included are merely samples and do not reflect the full body of our work.

The existing menus which are set up in the frame work of a complete package can be mixed and matched with like items in an effort to achieve the perfect menu for your event.

Second there are no single entrée menus in the packet, however, this can be achieved by removing an entrée and deducting \$2.00 from the price of that menu.

Also we offer gold or silver chargers for the head table and we butler service the head table.

Please take your time and browse through our packet and contact us when you are ready to put your plan into action. We are anxiously awaiting your call and look forward to working with you in the near future.
